<p class="lead mb-5">Hi! My name is Aditya Pawar and I'm a pre-junior majoring in Computer Science at the University of Cincinnati. I am currently looking for a summer internship or a full-time position in the field of software development or data science. I am a self-motivated individual with a strong passion for learning and a proven track record of completing projects on time and within budget. I am confident that my skills and experience make me a strong candidate for the position you are looking to fill. I would be happy to discuss my qualifications further in an interview. Thank you for your time and consideration. I look forward to hearing from you soon.
